

REGISTRATION FORM FOR PUBLIC INQUIRY NOTICE (contractor selection)

To: <http://muasamcong.mpi.gov.vn>

Name of Company calling for tender: Vinh Tan 1 Power Company Limited

Address: Vinh Phuc Hamlet, Vinh Hao Commune, Lam Dong Province, Vietnam

Telephone / fax / email: 0252 625 8888 Fax: 0252 626 7133 Tax code: 3401060812

It is requested to post the Tender notice with the following contents:

1. Major information of inquiry package:

- Name of inquiry package: 2025 Procurement of Operational Supplies for the Power Generation Division
- inquiry Number: VTPC1004221
- Type of inquiry package:

Construction Procurement Consulting Non-consulting Mixed

• Main contents of inquiry package: Open2025 Procurement of Operational Supplies for the Power Generation Division

2. Name of Project: Vinh Tan 1 Power Plant Project

3. Capital source: Equity capital

4. Form of contractor selection: Public inquiry

5. Method of contractor selection: Qualified bidders plus Reviewed Lowest Price Method.

6. Qualification request:

- A legally registered and operating enterprise legal person, with the capacity to independently assume civil liability, the capability to independently undertake this project, and the ability to perform the contract;
- The bidder shall provide financial reports for the past three years (2022–2024; if the 2024 report has not been released, an explanation shall be provided together with the 2021–2023 reports; if the company was established less than three years ago, reports shall be provided according to the actual years since establishment), and shall not be in a state of being ordered to suspend business or in bankruptcy, and its assets shall not be subject to restructuring, receivership, or freezing;
- The bidder shall not be restricted from bidding by China Southern Power Grid Company or Vietnam Vinh Tan 1 Power Company due to violations of regulations;
- Entities whose legal representative is the same person, or entities with controlling or management relationships, shall not participate in bidding for the same package (section), or for the same bidding project without package (section) division;
- Entities that have provided design or consulting services, prepared technical specifications, or other consulting services for this project shall not participate in the bidding for this project;
- Consortium bids are not accepted for this project;
- For non-special spare parts listed in the procurement list, the bidder may independently select the equipment supplier/manufacturer of such spare parts and indicate the selected supplier/manufacturer in its bidding documents, otherwise it shall be deemed as failing to respond to the purchaser's supply requirements;
- For special spare parts listed in the procurement list, the bidder must provide spare parts from the "original equipment supplier/manufacturer" specified in the procurement list. If the bidder decides to offer spare parts from a supplier/manufacturer different from the "original equipment supplier/manufacturer" specified in the procurement list, the bidder must provide a color scanned copy of a valid ISO certification of the spare parts manufacturer covering the bid deadline, performance records (at least two supply performance records of spare parts for power plants within the past three years, i.e., from January 2022 to present, with clear scanned copies of contracts and user confirmations), and a product inspection report issued by a provincial-level or authoritative third-party laboratory (for similar materials, only one report is required);

- If the bidder decides to use spare parts from the “original equipment supplier/manufacturer” specified in the procurement list, but the supplier/manufacturer has been terminated, re-established, or the original factory has closed or ceased production, and the production is transferred to another factory under the same brand, the bidder shall also provide proof of corporate evolution (for domestic enterprises), or a company declaration (for foreign enterprises).

7. Time of issue of inquiry documents: From 2025-09-05 17:02:48 to 2025-09-12 17:00:00

8. Registration Period: From 2025-09-05 17:02:48 to 2025-09-12 17:00:00. Please log in to the Vinh Tan 1 Power Company Limited E-Commerce Platform to register (<https://bidding.vtpc1.com>)

9. Price of one set of inquiry documents: Free

10. Deadline for quotation submission: 2025-09-12 17:00:00 (Vietnam time).

11. Quotation opening time: 2025-09-12 17:00:00 (Vietnam time).

12. Bidders and other interested parties who believe that this tender activity violates the provisions of laws, regulations and rules, shall have the right to complain to the bidding supervision department. Supervisory complaint agency is Vinh Tan 1 Power Company Limited Compliance Department, with contacting number +84-252-3974168 and E-mail vtpc1jd@vtpc1.csgihk.cn.
